Grant Agreement

Electronic Signature*

The applicant organization assumes all responsibilities as grantee and may not operate simply as the fiscal agent for the project. In signing and submitting a Grant application, the authorizing official certifies that the applicant organization will ensure that the acceptance paperwork and required reports are submitted on time and will comply with the certifications listed below.

LEH is required to ask each applicant for certification of compliance with nondiscrimination statutes, debarment, and suspension. By signing and submitting this form, the organization's authorizing official is providing these certifications.

Character Limit: 250

Nondiscrimination Statutes and Regulations:

(a.) Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000 et seq.), which provides that no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or

activity for which the applicant received federal financial assistance;

(b.) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), which prohibits discrimination on the basis of handicap in programs and activities receiving federal financial assistance;

(c.) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681 et seq.), which prohibits discrimination on the basis of sex in education programs and activities receiving federal financial assistance;

(d.) The Age Discrimination Act of 1975, as amended (42 U.S.C. 6106 et seq.), which prohibits discrimination on the basis of age in programs and activities receiving federal financial assistance, except that actions which reasonably take age into account as a factor necessary for the normal operation or achievement of any statutory objective of the project or activity shall not violate this statute; and

(e.) The Americans with Disabilities Act (ADA) of 1990.

Certification regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion (45 CFR 1169):

(a.) The applicant organization certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency;

(b.) Where the applicant is unable to certify to any of the statements in the certification, such prospective participant shall attach an explanation to this proposal.
