Join us to celebrate Louisiana's luminaries

TUESDAY, APRIL 23, 2024 | 6–9 P.M.
CAPITOL PARK MUSEUM, BATON ROUGE

Every spring, the Louisiana Endowment for the Humanities celebrates the brightest lights in Louisiana humanities at the Bright Lights Awards Dinner. Since 1985, the event has annually recognized the recipients of the LEH's Humanities Awards, which honor writers, musicians, artists, scholars, and other culture bearers for their contributions to the humanities in Louisiana.

The dinner brings together elected officials, community leaders, and humanities advocates to celebrate all that the humanities can achieve. In 2024, we are returning to the beautiful grounds of Baton Rouge's Capitol Park Museum, with the grand capitol building as our backdrop.
